SUMMARY

Full Stack Web Developer with a managerial background. Strengths include leadership and teamwork skills that efficiently utilize time management as well as effective role assignments to complete collaborative tasks and projects in a timely manner. Passionate for learning how to build a connective, impactful experience through creatively engaging user interfaces and meaningful online interactions on the web. Not afraid to get my hands dirty to problem-solve programming challenges. Positioned to employ my leadership and technical skills combined with my technical knowledge, making me an advantageous contributor to any development team.

TECHNICAL SKILLS

Languages: HTML5, CSS3, Javascript/ES6, jQuery, ReactJS, Bootstrap, NodeJS

Applications: Full Stack Web Development

PROJECTS

Password Generator

Github: <https://github.com/WarriorofZarona/password-generator>

Deployed: <https://warriorofzarona.github.io/password-generator/>

- Prompts user with criteria which generates a randomly generated password
- Sole developer
- HTML5, CSS3, Bootstrap, Javascript

Coding Quiz

Github: <https://github.com/WarriorofZarona/Coding-Quiz> |

Deployed: <https://warriorofzarona.github.io/Coding-Quiz/>

- Time javascript-themed quiz that dynamically displays questions, scores on each correct answer, subtracts time from wrong answers, then submits score to a high score list
- Sole developer
- HTML5, CSS3, Bootstrap, Javascript

Day Planner

Github: <https://github.com/WarriorofZarona/Day-Planner> |

Deployed: <https://warriorofzarona.github.io/Day-Planner/>

- Current day schedule displaying business hours and allows user to input hourly events to plan daily activities
- Sole developer
- HTML5, CSS3, Bootstrap, Javascript, MomentJS, jQuery

Hungry Hub

Github:<https://github.com/WarriorofZarona/Hungry-Hub>

Deployed:<https://warriorofzarona.github.io/Hungry-Hub>

- Search web app that lets hungry users search for restaurants by location or search for recipes by ingredients
- Project lead and Recipe API Developer
- HTML5, CSS, Bootstrap, Javascript, MomentJS, jQuery, AJAX

EXPERIENCE

Caller/Manager

2010 – 2019

Outreach Calling

Westfield, NJ

Call center office that generated high volume of donations on behalf of non-profit organizations, leading a team of personally trained callers while utilizing call leads from across the country. Maintained a highly positive morale in a fast-paced environment, delegating tasks based on strengths of each caller and targeting where improvements can be made to encourage growth in skillsets.

Key Accomplishments:

- Top caller/producer turned supervisor and manager in 2013
- Employee of the Month March 2012
- Trained top producing callers that collected a minimum of \$10,000 total weekly

EDUCATION

Bootcamp Certificate: Rutgers Coding Bootcamp, Jersey City, NJ

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.
